

Hello Madame Rousseau, how are you?

Very well thank you, the weather is nice today!

Yes it's better than yesterday!

Yes, and the weather will be fine all week!

What did you need?

What sort of baguette do you have?

The classic baguette, the tradition, the cereal baguette and the organic baguette.

So I'll have an organic baguette please.

Here you go ... with this?

Do you have chouquettes?

Sure! How many chouquettes do you need?

Ohh I don't know, twenty?

Sure! So twenty chouquettes, here you go! Did you need something else?

Yes do you have bread that can be kept?

Yes, we have wholemeal bread, rye bread, grain bread and country bread.

So I'm going to have an unsliced country bread.

There you are, madam. And how is your son?

He is doing very well! He went to Mexico for a month!

1 month? It's a beautiful trip ...

Yes, he looks very happy ...

That's great!

Yes, I'm happy for him.

So it will be 11 € 80 ...

Thank you very much and good day!

Good day to you!
